Mark Ghaly (Chair)

Secretary

California Health and Human Services Agency

Dr. Mark Ghaly was appointed in 2019 by Governor Gavin Newsom as Secretary of the California Health and Human Services Agency, overseeing California’s largest Agency committed to expanding health coverage and access and providing safety net services for our most vulnerable neighbors. Previously, Dr. Ghaly worked for 15 years in County health leadership roles in San Francisco and Los Angeles. In San Francisco, he was Medical Director of the Southeast Health Center, a public health clinic located in the Bayview Hunters Point community. In addition to having a large primary care pediatrics practice, Dr. Ghaly led the clinic’s transition to the patient-centered medical home model of care, expanded specialty care and diagnostics services, and addressed issues such as teen health, youth violence, food security, and environmental health issues. In 2011, Dr. Ghaly became the Deputy Director for Community Health and Integrated Programs for the Los Angeles County Department of Health Services. In this role, Dr. Ghaly directed clinical operations in the juvenile detention system and led the transition of jail health services from the Los Angeles County Sheriff and the Los Angeles County Department of Mental Health into one integrated system of care. A native of Minneapolis, Dr. Ghaly earned his M.D. and M.P.H. from Harvard. Dr. Ghaly is married to Christina Ghaly and has four young children.

Jamie Almanza

CEO

Bay Area Community Services

Jamie Almanza is the CEO of Bay Area Community Services, a heritage organization serving vulnerable communities. She holds an MBA and has over 20 years in the social service sector and is committed to eliminating barriers to effectively eliminate poverty in all neighborhoods, end homelessness, and to create infrastructure throughout the communities.

Charles Bacchi

President and CEO

California Association of Health Plans

Charles Bacchi is the President and CEO for the California Association of Health Plans (CAHP) representing 46 health plans providing coverage to over 26 million Californians. For the last 16 years Mr. Bacchi served in leadership positions at CAHP, as Executive Vice President and Vice President of Legislative Affairs, leading the Association’s advocacy before the California Legislature, the California Health Benefit Exchange,

Department of Health Care Services, and the Department of Managed Health Care on behalf of CAHP's health plan members.

Andrew Bindman

***Executive Vice President and Chief Medical Officer
Kaiser Foundation Health Plan, Inc. and Hospitals***

Andrew Bindman, MD, is Executive Vice President and Chief Medical Officer for Kaiser Foundation Health Plan, Inc. and Hospitals. Dr. Bindman is responsible for driving superior quality and equitable health outcomes through the integration of quality innovation, research, and care delivery. He works closely with clinical and operational leaders on performance standards for quality and service, quality programs, data analytics and research, and equity as a fundamental metric for care. Dr. Bindman spent more than 30 years at the University of California, San Francisco, and has published over 180 scientific articles. He held advisory and leadership roles for the U.S. House Energy and Commerce Committee, U.S. Department of Health and Human Services, Agency for Healthcare Research and Quality, California Medicaid Research Institute, and Healthy California for All Commission, among others. A graduate of Harvard College and the Mount Sinai School of Medicine, Dr. Bindman is a board-certified general internist.

Michelle Doty Cabrera

***Executive Director
County Behavioral Health Directors Association of California***

Michelle Doty Cabrera joined the County Behavioral Health Directors Association of California (CBHDA) as Executive Director in May 2019. Prior to joining CBHDA she served as the Healthcare Director for the California State Council of the Services Employees International Union (SEIU California), where she advocated on behalf of healthcare workers and consumers. She served as a Senior Consultant for the Assembly Human Services Committee, where she specialized in child welfare issues and staffed legislation which extended foster care in California to age 21. Ms. Cabrera also served as a Program Officer for the California Health Care Foundation, working as a liaison on state health policy in Sacramento. Ms. Cabrera served as a member of Governor Newsom's Council of Regional Homeless Advisors and was recently appointed to the California Disability and Aging Community Living Advisory Committee, representing the needs of individuals with behavioral health conditions. Ms. Cabrera has been an inaugural member of the National Quality Forum's Standing Committee on Disparities and has served on the California Pan-Ethnic Health Network (CPEHN) Board of Directors since 2015.

Carmela Coyle
President and CEO
California Hospital Association

Carmela Coyle began her tenure as President and CEO of the California Hospital Association, the statewide leader representing the interests of more than 400 hospitals and health systems in California, in October 2017. Previously, Coyle led the Maryland Hospital Association for nine years, where she played a leading role in reframing the hospital payment system in Maryland and moving to a value-based methodology. Maryland is now considered a national leader in health care policy and innovation. Prior to 2008, Coyle spent 20 years in senior policy positions with the American Hospital Association (AHA), including 11 years as the senior vice president of policy, where she served as a national media spokesperson and led AHA's policy development and strategy planning activities. Earlier in her career, she worked for the Congressional Budget Office in Washington, D.C., advising members of Congress and their staff on the economic and budgetary implications of legislative policy. Coyle currently is a member of AHA's Board of Trustees.

Rahul Dhawan
Associate Medical Director
MedPOINT Management (representing America's Physician Groups)

As a clinical physician and Medical Director, Dr. Dhawan has extensive experience and expertise that aligns with CHHS' and the Administration's overall goals. He is an active member of California's physician community and a seasoned participant in state, federal, and local policy processes including CMS ESRD Network 18. Dr. Dhawan holds board certifications in Internal Medicine, Nephrology/Hypertension, and Abdominal Transplant. In his role at MedPOINT Management, Dr. Dhawan oversees care coordination at the FQHC, IPA, and MSO levels, including for his own organization, Bella Vista Medical Group, IPA. He remains committed to serving patients in medically underserved areas of Los Angeles, while simultaneously supporting Bella Vista's aging and retiring doctors with succession planning. In the spirit of continuous innovation, Dr. Dhawan developed a secure HIPAA compliant application to facilitate peer-to-peer patient information exchange throughout the patient transfer process. Dr. Dhawan's training and experience extend beyond the clinical environment to organizational management, data exchange, and quality reporting.

Joe Diaz

***Senior Policy Director and Regional Director
California Association of Health Facilities***

Joe Diaz has served as Senior Policy Director and Regional Director at California Association of Health Facilities (CAHF) for the past 36 years. Prior to that he served as the youngest Director of the California Office of Statewide Health Planning and Development. Before that appointment he served as the Under-Secretary of the California Health and Welfare Agency with 11 departments, 95,000 employees and a budget of 8.9 billion dollars.

David Ford

***Vice President of Health Information Technology
California Medical Association***

David Ford is the Vice President of Health Information Technology for the California Medical Association (CMA). He develops CMA's thought leadership in all aspects of health IT – EHRs, health information exchange, and telehealth. David is a recognized expert on the transition to electronic health records and health information exchange. Prior to joining CMA, David was the Executive Director of CalHIPSO, the largest federally designated Regional Extension Center (REC) for Health Information Technology in the nation. In that role, David oversaw CalHIPSO's work to assist thousands of safety net providers implement and use health information technology to improve their care and participate in payment reform. David started his career as an employee of the California State Legislature. He served most recently as the Chief of Staff to then-Assemblymember Ted Lieu (D-Los Angeles), now a member of Congress. David holds a BA in Political Science from The American University in Washington, DC.

Liz Gibboney

CEO

Partnership HealthPlan of California

Liz is the CEO of Partnership HealthPlan of California, a local non-profit MediCal health plan covering fourteen Northern California counties. She is responsible for development and general management of the 600,000-member health plan, with annual revenues of \$3 billion. She serves on several Boards of Directors and Commissions, including the California Health Care Foundation, Oregon Community Health Information Network ("OCHIN"), Touro University Medical Group, and most recently, the California Future Health Workforce Commission.

Michelle Gibbons

Executive Director

County Health Executives Association of California

Michelle Gibbons is the Executive Director for the County Health Executives Association of California (CHEAC). Prior to her role at CHEAC, Ms. Gibbons served as the health and human services legislative analyst for the California State Association of Counties as well as various roles within the California Department of Health Care Services. CHEAC is a statewide organization of county Health Department and Agency Directors, who are responsible for the administration, oversight, and delivery of a broad range of local public health and indigent health care services. CHEAC is an affiliate of the California State Association of Counties (CSAC).

Lori Hack

Interim Executive Director

California Association of Health Information Exchanges

Lori has over 30 years of experience with hospital, clinic and health plan operations, most recently on state level initiatives for clinical integration activities for EHR/HIE implementation. She has extensive experience with compliance, privacy and security of health information and health information exchange. Lori has coordinated and participated in public and private sector boards such as the California Privacy and Security Advisory Board and was recently elected to the Board of the Mark Twain Health Care District. As a frequent guest lecturer and visiting professor, Lori has taught classes on health information exchange, managed care contracting and women in health care leadership at the University of Southern California, UC Berkeley and UC Davis. Lori has a Master's in Business Administration from the University of Southern California and a Bachelor of Arts in Psychology from the University of California at Los Angeles.

Alma Hernández

Executive Director

SEIU California

Alma Hernández is the Executive Director for SEIU California, an organization dedicated to electing candidates and passing policies that benefit SEIU's 700,000 members and their families in California. SEIU represents janitors, home care workers, social workers, professors, school workers, health care workers, and city, county, and state workers. It is the largest labor union in the state and has been a powerful political voice in California for working people. Ms. Hernández is the first Latina to occupy the role of Executive Director.

Sandra Hernández

President and CEO

California Health Care Foundation

Sandra R. Hernández, MD, is President and CEO of the California Health Care Foundation (CHCF). Prior to joining CHCF, Sandra was CEO of The San Francisco Foundation, which she led for 16 years. She previously served as director of public health for the City and County of San Francisco. In February 2018, Sandra was appointed by Governor Jerry Brown to the Covered California board of directors. In December 2019, she was appointed by Governor Gavin Newsom to the Healthy California for All Commission, which is charged with developing a plan to help California achieve a health care delivery system that provides coverage and access through a unified financing system. She also serves on the UC Regents Health Services Committee and the UC San Diego Chancellor’s Health Advisory Board. Sandra practiced at San Francisco General Hospital in the HIV/AIDS Clinic from 1984 to 2016 and was an assistant clinical professor at the UCSF School of Medicine.

Cameron Kaiser

Deputy Public Health Officer

County of San Diego (representing the California Conference of Local Health Officers)

Cameron Kaiser, MD, MPH, FAAFP, is the representative from the California Conference of Local Health Officers covering the 61 local county and city health jurisdictions in the state. He is a deputy public health officer for the County of San Diego, formerly the public health officer for the County of Riverside for almost a decade, and has worked as a public health professional for 15 years. He has also served as the public health seat on the Manifest MedEx advisory board, on the county coalition for the Inland Empire Health Information Organization, on the board of the National Association of County and City Health Officials, and as a continuing board member for the Health Officers Association of California.

Andrew Kiefer

Vice President, State Government Affairs

Blue Shield of California

Andrew Kiefer is a 20-year veteran of California politics. Today, he serves as the Area Vice President of Government Affairs for Blue Shield of California, with responsibility over state affairs and political engagement for the company. In his near decade with the company, Andrew played a pivotal role in most of the major health care issues in California, including the implementation of the Affordable Care Act, milestone consumer protections that shield consumers from balance billing and the strongest drug price

transparency law in the nation. Leading the company's political strategy, Andrew has built a best-in-class electoral program, positioning the company for success in legislative, initiative and statewide campaigns. Notably, over the past two election cycles, Andrew led Blue Shield's successful engagement on the gubernatorial election and Save Lives California campaign, which increased taxes on tobacco products to fund the Medi-Cal program and bolster cessation efforts. Prior to his tenure at Blue Shield of CA, Andrew served as an account director at the leading public affairs firm in Sacramento. Directly in state politics, Andrew served in a multitude of positions in the State Assembly and Senate, making major contributions on landmark solar and public safety legislation, among others. In his younger days, Andrew managed numerous successful state and congressional political campaigns. In addition to his passion for public policy and California politics, Andrew has a knack for cooking and hacking at golf. He is married with three kids and lives in Sacramento.

Linnea Koopmans

CEO

Local Health Plans of California

Linnea Koopmans is the Chief Executive Officer for the Local Health Plans of California (LHPC), the statewide trade association representing all 16 of California's not-for-profit and community-based health plans that collectively cover 70% of the state's Medi-Cal managed care population. As CEO, Linnea leads the Association's legislative and policy advocacy on behalf of the local plans. She previously served as the Association's Director of Government Affairs. Before coming to LHPC in 2018, Linnea worked for the County Behavioral Health Directors Association and prior to that for the Los Angeles County Department of Mental Health. She started her career working in housing and homelessness.

David Lindeman

Director, CITRIS Health

UC Center for Information Technology Research in the Interest of Society

Dr. Lindeman has worked in the fields of health care and long-term care for nearly 40 years as a health services researcher and gerontologist, conducting research related to telehealth, health care technology, chronic disease management, healthy aging, disabilities, dementia, community-based and residential services, health care workforce, and family caregiving. Dr. Lindeman's current focus is working with researchers, entrepreneurs and investors on the incubation of technology-enabled health care solutions that address critical health care challenges through telehealth, mobile/cloud, sensors/IoT, robotics, assistive technologies, and Artificial Intelligence/Machine Learning. Dr. Lindeman serves as an advisor to foundations, government agencies,

start-ups, businesses, and venture firms. Dr. Lindeman previously served as the founding Director of the Center for Technology and Aging; founding Director Mather LifeWays Institute on Aging; Associate Professor of Health Policy, Rush University Medical Center; and Co-Director of the UC Davis Alzheimer's Disease Center. Dr. Lindeman received his PhD and MSW from the University of California, Berkeley.

Amanda McAllister-Wallner

Deputy Director

Health Access

Amanda McAllister-Wallner (she/her/hers) is the Deputy Director of Health Access. She joined Health Access in 2016 the Director of the California LGBTQ Health and Human Services Network, and served in that role for five years. As Network Director, Amanda coordinated leadership for over 60 LGBTQ-serving organizations throughout California on health policy and promotes health and wellness as part of the overall movement for LGBTQ equality. Prior to joining the Network, Amanda worked at the Los Angeles LGBT Center, Sierra Club California, and as an organizer and on a number of electoral campaigns ranging from County Supervisor to Congress, and volunteered on marriage equality ballot initiatives in Maine and North Carolina. Amanda has a Master of Public Policy from UCLA, where she was a Luskin Leadership Fellow, and Bachelor of Arts in Political Science from the University of California, Santa Barbara, where she headed the nationally recognized Campus Democrats organization and served as chair of the California Young Democrats' LGBTQ Caucus.

DeeAnne McCallin

Director of Health Information Technology

California Primary Care Association

DeeAnne McCallin managed CalHIPSO's technical assistance and quality improvement programs from 2012 through 2020, including the federal Regional Extension Center program and the California Technical Assistance Program (CTAP). The meaningful use of HIT has helped to improve patient care and outcomes. Under McCallin's leadership, CalHIPSO assisted more than 7,500 safety net clinicians throughout California, helping them to earn more than \$150M in federal incentive dollars. The meaningful use of certified EHR technology has set a foundation within our health care system so that California providers are able to safely exchange health information. The broad adoption of CEHRT by community health centers as well as the Meaningful Use program also set the stage for true interoperability and achieving the quadruple aim. With the ending of HITECH funding, DeeAnne joined the California Primary Care Association (CPCA) in February 2021 to carry on CalHIPSO's mission, focusing on HIT focused response to COVID, information blocking, and interoperability.

Ali Modaressi

CEO

Los Angeles Network for Enhanced Services

Ali Modaressi is the Chief Executive Officer at Los Angeles Network for Enhanced Services (LANES) Health Information Exchange. In this role, Modaressi is responsible for developing services and initiatives that make patients' health information available safely and securely to health care providers. He oversees population health and public health initiatives aimed at improving health outcomes. Modaressi comes to LANES from L.A. Care Health Plan, where he served as the Senior Director of Health IT, overseeing strategic projects. In this capacity, he was responsible for leading technology innovation projects designed for improving care coordination and population health. Modaressi brings 25 years of experience in health information technology. He has served in various leadership roles at Sage Healthcare, WebMD, and Principal at Intelligent Concepts, a health IT consulting company acquired by WebMD. Modaressi holds a bachelor's degree in Mathematics and Computers and a master's degree in Management Science and Operations Research from the University of Warwick in England.

Erica Murray

President and CEO

California Association of Public Hospitals and Health Systems

Since 2014, Erica Murray has served as President and CEO for the California Association of Public Hospitals and Health Systems (CAPH). Prior to this appointment, Erica was Senior Vice President; in that capacity, she was responsible for leading the organization's policy and government relations efforts. She has worked at CAPH since 2005, with a focus on policies to challenge, support and strengthen public health care systems' successful delivery system improvements, many of which have been fostered by CAPH's 501c3 affiliate, the California Health Care Safety Net Institute (SNI). Ms. Murray came to CAPH/SNI with a varied background in health policy spanning the federal legislative and executive branches, as well as the private sector. Prior to joining CAPH/SNI, Ms. Murray served as health policy Legislative Assistant for former U.S. Senator John Edwards. Murray holds a Masters of Public Policy and Administration from Columbia University, and received a Bachelor of Arts degree from McGill University in Montreal, Quebec.

Janice O'Malley
Legislative Advocate
California Labor Federation

Janice O'Malley is the Legislative Advocate for the California Labor Federation, an organization dedicated to promoting and defending the interests of working people and their families for the betterment of California's communities - representing 2.1 million union members in manufacturing, retail, construction, hospitality, public sector, health care, entertainment, and other industries. Motivated by her transformative experience receiving organizing training from notable union organizers Dolores Huerta and Fred Ross, Jr. while on the 2004 Presidential campaign, she joined the American Federation of State County Municipal Employees (AFSCME) as a union organizer. She was later recruited to become Political Coordinator for AFSCME Council 75 based in Portland, Oregon, where in 2007 she led the lobbying effort resulting in passage of the first law in the nation granting family childcare providers collective bargaining rights. Prior to joining the Labor Federation in 2021, Janice worked at the Alzheimer's Association of Northern California.

Mark Savage
Managing Director, Digital Health Strategy & Policy
Savage & Savage LLC

Mark Savage is Managing Director, Digital Health Strategy & Policy, at Savage & Savage LLC, where he continues his passion to transform health care by developing and leveraging electronic health information exchange as the backbone for patient engagement and access, delivery reform and shared care planning, patient-generated health data and social determinants of health, health equity, and community and population health. Until recently Mark was Director of Health Policy at UCSF's Center for Digital Health Innovation, where he similarly led health policy strategy for the Center. Mark serves on multi-stakeholder policy committees under the Office of the National Coordinator for Health IT; as SDOH Policy Lead for the Gravity Project; on the board of Manifest MedEx; and was co-chair of the National Quality Forum's Interoperability Committee. Prior to UCSF, he was Director of Health IT Policy and Programs at the National Partnership for Women & Families in Washington, DC.

Kiran Savage-Sangwan
Executive Director
California Pan-Ethnic Health Network

Kiran Savage-Sangwan is the Executive Director of the California Pan-Ethnic Health Network (CPEHN). CPEHN is a statewide multicultural health advocacy organization, focused on eliminating persistent health inequities and addressing structural racism in

health care. Prior to becoming Executive Director in 2019, Kiran served as CPEHN Deputy Director and Health Integration Policy Director. Kiran has a background in immigrant and mental health organizing and advocacy. She also previously served as the Chairperson of the Sacramento Community Police Review Commission. Kiran graduated from New York University with a B.A. and a Master of Public Administration.

Cathy Senderling-McDonald

Executive Director

County Welfare Directors Association

Cathy Senderling-McDonald was named Executive Director of County Welfare Directors Association (CWDA) on January 1, 2021. In this role, she leads the association staff in working with the CWDA Board of Directors and partner organizations to promote legislative, budget and policy changes that improve human services programs and the delivery of those services. Cathy served as the Deputy Executive Director from 2010 through 2020. She joined CWDA in 2000 as the association's legislative advocate and later became senior legislative advocate. Prior to joining CWDA, she served as the California Senate Budget Committee consultant for social services programs and a fiscal and policy analyst for the California Legislative Analyst's Office. She has a bachelor's degree in Journalism from the University of Missouri at Columbia, and a master's degree from the Heinz School of Public Policy and Management in Pittsburgh, Pennsylvania. Cathy currently serves on the National Association of Counties (NACo) Board of Directors as a representative of the National Association of County Human Services Agencies (NACHSA), of which she is the immediate past president. She is Vice Chair of the Aging Subcommittee of the NACo Human Services and Education Steering Committee, of which she is a longtime member.

Claudia Williams

CEO

Manifest MedEx

Claudia Williams is the Chief Executive Officer of Manifest MedEx, California's largest nonprofit health information network. She has over 20 years' experience catalyzing and scaling data-driven improvement in healthcare. Previously the Senior Advisor for Health Technology and Innovation at the White House, Claudia helped launch President Obama's Precision Medicine Initiative and collaborated with private and public partners to leverage health information technology, new payment models, and open data to remake the digital landscape in healthcare. Before joining the White House, Claudia was Director of Health Information Exchange at HHS, and was Director of Health Policy and Public Affairs at the Markle Foundation. She holds a master's in Health Policy and

Management from the Harvard School of Public Health and a bachelor's from Duke University. She served as a Peace Corps volunteer in Botswana.

William York

President and CEO

211 San Diego/Community Information Exchange

William York has over 30 years' experience and leadership in designing and delivering person-centered services. As the President & CEO of 211 San Diego/Community Information Exchange (CIE), York leads the team that regularly consults with communities across the country on the planning and implementation of Community Information Exchanges and hosts the annual CIE Summit. Versed in information exchanges, data security, framework design for interoperable technology, procurement, and community organizing, York and his team successfully led the social services/public benefits integration into the CIE, and incentivized over 100 nonprofit, healthcare, and government agencies to participate in the CIE with a whole community approach supported by data driven results to serve the region. York also has expertise in modifying workflow design for human-centered focus. An Army veteran, York has played a lead role in developing a national veteran's network focused on seamless systems of care for military and veterans and their families.

The Center for Data Insights & Innovation would like to thank the following individuals representing California State Departments for joining the Advisory Group:

- **Ashrith Amarnath**, Medical Director, California Health Benefit Exchange
- **Nancy Bargmann**, Director, Department of Developmental Services
- **Mark Beckley**, Chief Deputy Director, Department of Aging
- **Scott Christman**, Chief Deputy Director, Department of Health Care Access and Information
- **David Cowling**, Chief of the Center for Information, California Public Employees' Retirement System
- **Kayte Fisher**, Attorney, Department of Insurance
- **Julie Lo**, Executive Officer, California Business, Consumer Services and Housing Agency
- **Dana E. Moore**, Acting Deputy Director, Department of Public Health
- **Nathan Nau**, Deputy Director of the Office of Plan Monitoring, Department of Managed Health Care
- **Linette Scott**, Chief Data Officer, Department of Health Care Services
- **Diana Toche**, Undersecretary, Health Services, Department of Corrections and Rehabilitation
- **Julianna Vignalats**, Assistant Deputy Director, Department of Social Services
- **Leslie Witten-Rood**, Chief of the Office of Health Information Exchange, Emergency Medical Services Authority
