

Cal HHS Data Exchange Framework Policy and Procedure

Subject: Permitted, Required, and Prohibited Purposes	
Status:	Policy:
Effective:	Version

I. Purpose

The purpose of this policy is to (a) set forth the purposes for which Participants in the California Health and Human Services Data Exchange Framework (the “Data Exchange Framework”) are required and/or permitted to exchange Health and Social Services Information under the Data Exchange Framework and (b) set forth certain restrictions on the use by Participants of Health and Social Services Information that they access under the Data Exchange Framework.

II. Policy

Participants in the Data Exchange Framework are required to exchange Health and Social Services Information or provide access to Health and Social Services Information for the Required Purposes set forth in Section III.1 of this policy. In addition, Participants may exchange Health and Social Services Information or provide access to Health and Social Services Information for the Permitted Purposes set forth in Section III.2 of this policy. Participants are prohibited from using Health and Social Services Information for the purposes set forth in Section III.3 of this policy.

Nothing in this policy is intended to restrict a Participant from having different arrangements outside of the Data Sharing Agreement (the “DSA”) provided that the Participant can still comply with the DSA.

III. Procedures

1. REQUIRED PURPOSES

a. Subject to the provisions of the DSA and the Policies and Procedures, Participants are required to exchange Health and Social Services Information and/or provide access to Health and Social Services Information pursuant to the Data Exchange Framework for Treatment, Payment, Health Care Operations, and Public Health Activities as those terms are defined herein.

2. PERMITTED PURPOSES

a. Subject to the provisions of the DSA and the Policies and Procedures, Participants are permitted to exchange or provide access to Health and Social Services Information for any other purpose, provided appropriate Authorizations are made, if necessary, and the disclosure or use of Health and Social Services Information is permissible under Applicable Law. Such purposes, include, but are not limited to Social Services Activities and Research activities.

3. PROHIBITED PURPOSES

(a) Unless permitted by Applicable Law or the DSA, Participants shall not, for their own indirect or direct financial benefit, re-use, re-disclose, aggregate, de-identify, re-identify, or

engage in the Sale of Health and Social Services Information received through the DSA without explicit written authority to do so from the appropriate party. A Participant shall not be considered to be acting for its own benefit if:

(i) The Participant is a Business Associate and has a legally enforceable written agreement authorizing the re-use, re-disclosure, aggregation, de-identification, or re-identification of such Health and Social Services Information. This shall not include the Sale of Health and Social Services Information;

(ii) The Participant is performing Individual Access Services at the direction of an Individual User or Personal Representative; or

(iii) The Participant is a Social Services Organization and has a legally enforceable written agreement authorizing the re-use, re-disclosure, aggregation, de-identification, or re-identification of such Health and Social Services Information with a government entity, Government Participant, or other Social Services Organization. This shall not include the Sale of Health and Social Services Information.

IV. Definitions

“Health Care Operations” for purposes of this policy, shall consist of the following activities:

1. Quality Assessment and Improvement activities as described in subsection (1) of the definition of health care operations set forth at 45 C.F.R. § 164.501.
2. Population-based activities relating to improving health or reducing health care costs, protocol development, case management and care coordination, contacting of health care providers and patients with information about treatment alternatives as set forth at 45 C.F.R. § 164.501.

“Payment” shall have the same meaning as set forth at 45 C.F.R. part 164.501 of the HIPAA Regulations.

“Public Health Activities” shall mean an access, use, or disclosure permitted under the HIPAA Regulations and any other Applicable Law for public health activities and purposes, including an access, use, or disclosure permitted under 45 C.F.R. part 164.512(b) and 45 C.F.R. part 164.514(e). Public Health Activities excludes activities related to oversight or enforcement of laws, regulations, or rules by Governmental Participants.

“Research” means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge.

“Sale of Health and Social Services Information” means the disclosure of Health and Social Services Information in return for direct or indirect remuneration from or behalf of the recipient of the Health and Social Services Information. Sale of Health and Social Services Information shall not include the disclosure of Health and Social Services Information for the activities set forth in 45 CFR § 164.502(a)(5)(ii)(B)(2).

“Social Services Activities” refers to the Social Services provided by Social Service Organizations

All other capitalized terms not defined herein shall have the same meaning as set forth in the DSA.
