

CalHHS Data Exchange Framework Policy and Procedure

Subject: Data Elements to Be Exchanged	
Status: Final	Policy: OPP-8
Publication Date: July 5, 2022	Version: 1.0

I. Purpose

The California Health and Human Services Data Exchange Framework (“Data Exchange Framework”) requires access to and exchange of usable Health and Social Services Information by health and social service providers and organizations. The purpose of this policy is to define the Health and Social Services Information to which access is to be provided or that is to be exchanged by Participants.

II. Policy

1. DATA TO BE EXCHANGED

a. Participants shall make available or exchange, at a minimum, data as defined in the subparagraphs below.

i. Health Care Providers, including but not limited to physician practices, organizations, and medical groups, general acute care hospitals, critical access hospitals, long term acute care hospitals, acute psychiatric hospitals, rehabilitation hospitals, skilled nursing facilities, and clinical laboratories, shall provide access to or exchange at a minimum:

a. Until October 6, 2022, data elements in the [United States Core Data for Interoperability \(USCDI\) Version 1](#) if maintained by the entity.

b. After October 6, 2022, all Electronic Health Information (EHI) as defined under federal regulation in [Section 171.102 of Title 45 of the Code of Federal Regulations](#), including data elements in the [United States Core Data for Interoperability \(USCDI\) Version 2](#), if maintained by the entity.

ii. County health facilities that are Participants shall provide access to or exchange, at a minimum, the same data required of Health Care Providers in Paragraph 1.a.i as permitted under Applicable Law and maintained by the entity.

iii. Health Plans, including but not limited to health care service plans and disability insurers that provide hospital, medical, or surgical coverage that are regulated by the Department of Managed Health Care or the Department of Insurance, Medi-Cal managed care plans, shall provide access to or exchange, at a minimum, the data required to be shared under the Centers for Medicare and Medicaid Services Interoperability and Patient Access regulations for public programs as contained in [United States Department of Health and Human Services final rule CMS-9115-F, 85 FR 25510](#) including, but not limited to, adjudicated claims, encounter data and clinical data as defined in the USCDI if maintained by the entity.

a. For Individual Access Services, adjudicated claims and encounter information shall include cost information, specifically provider remittances and enrollee cost-sharing.

b. For Participants and Purposes other than Individual Access Services, cost information may be omitted.

c. After October 6, 2022, clinical data shall include data elements in the [United States Core Data for Interoperability \(USCDI\) Version 2](#) if maintained by the entity.

iv. Public health agencies that are Participants shall provide access to or exchange, at a minimum, the same data required of Health Care Providers in Paragraph 1.a.i as permitted by Applicable Law and maintained by the entity.

v. Intermediaries, including but not limited to health information exchange networks and health information organizations, that are Participants shall provide access to or exchange, at a minimum, all of the following that apply to the extent available and provided by an applicable Participant:

a. Data defined in Paragraph 1.a.i if providing exchange services to one or more Health Care Provider(s) or county health facility(ies).

b. Data defined in Paragraph 1.a.iii if providing exchange services to one or more Health Plan(s).

c. Data defined in Paragraph 1.a.iv if providing exchange services to one or more public health agency(ies).

b. Participants not listed in Paragraph 1.a that voluntarily elect to sign the Data Sharing Agreement shall provide access to or exchange Health and Social Services Information.

i. As applicable and deemed appropriate by the entity for meeting obligations under the Data Sharing Agreement, the entity shall provide access to or exchange:

a. Until October 6, 2022, data elements in the United States Core Data for Interoperability (USCDI) Version 1 if appropriate and maintained by the entity.

b. After October 6, 2022, data elements in the United States Core Data for Interoperability (USCDI) Version 2 if appropriate and maintained by the entity.

c. Information related to the provision of health care services and/or the provision of social services if appropriate for and maintained by the entity.

ii. Data to be exchanged by Participants not listed in Paragraph 1.a may be the subject of a future revision to this policy developed through a public and transparent process as described in the Development of and Modifications to Policies and Procedures.

2. DATA STANDARDS

a. Participants shall use standardized data element formats, terminologies, and code sets identified in the [United States Core Data for Interoperability \(USCDI\) Version 2](#).

b. For data elements not included in USCDI Version 2, such as Electronic Health Information or claims data listed in Paragraph 1.a, Participants shall use standardized data element formats, terminologies, and code sets identified in applicable national and federally adopted standards, defined as standards published by the US Department of Health and Human Services in the [Standards Version Advancement Process](#).

c. It is the intent of the Data Exchange Framework to align with national and federally adopted standards. When conflicts exist between national and federally adopted standards and data formats, terminologies, or code sets mandated by California regulation, the California regulation shall prevail.

3. DATA FORMATS

a. Participants shall use national and federally adopted data standard formats in the exchange of Health and Social Services Information, which shall include one of:

i. [HL7 Messaging Standard Version 2.5.1](#)

ii. [HL7 Clinical Document Architecture \(CDA®\) Release 2](#), [HL7 Companion Guide to Consolidated Clinical Document Architecture \(C-CDA®\) 2.1](#) preferred if applicable

iii. [HL7 Fast Health Interoperability Resources \(FHIR®\) Release 4.0.1](#), [US Core Implementation Guide 4.0.0 STU4](#) preferred if applicable

III. Definitions

Electronic Health Information shall mean electronic protected health information as defined in [45 CFR 160.103](#) to the extent that it would be included in a designated record set as defined in [45 CFR 164.501](#), regardless of whether the group of records are used or maintained by or for a covered entity as defined in [45 CFR 160.103](#), but EHI shall not include: (1) psychotherapy notes as defined in [45 CFR 164.501](#); or (2) information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding.

Maintained with respect to data shall mean that the entity has access to the data, control over the data, and the authority to make the data available, as defined for payers in the [CMS Interoperability and Patient Access Final Rule](#) but herein applied to entities beyond payers.

National and Federally Adopted Standards shall mean standards published by the US Department of Health and Human Services in the [Standards Version Advancement Process](#).
