1	Zach Gillen (KP)	Good morning - Question related to the process for signing the DSA and assocaited P&Ps. With policies and procedures still being drafted, ratified and proposed. When will be the cutoff so it's clearly understood what healthcare organizations are signing? Also, what will be the process after organizations sign for the incorporation of new or ratified P&Ps and revisions to the DSA itself?	
2	Zach Gillen (KP)	Question - Would there be a carve out exception for the CA healthcare organizations that are already obligated to comply under the Federal ONC Info blocking rule?	
3	Dan Chavez	May a QHIO attest on behalf of the QHIO's participants?	
4	Mohit Ghose	For health plans, will the DSA have to be signed per license?	
5	Ken Riomales	Will organization that don't "own" the data but are part of the data exchange (i.e. QHIO's) be mandated to sign the DSA?
