

**California Health & Human Services Agency
Center for Data Insights and Innovation
Data Exchange Framework Implementation Advisory Committee
Meeting #9 Chat Log (1:00 PM – 2:00 PM PT, August 28, 2023)**

The following comments were made in the Zoom chat log by Members of the Implementation Advisory Committee and staff during the August 28, 2023 meeting:

16:28:24 From DeeAnne McCallin To Everyone:

I do encourage folks to continue to enter questions into the Q&A, and IAC members can enter here in the Zoom Chat. CDII will be able to incorporate in the work that Rim is leading if we are not able to answer today, we will review and take into consideration as this is built out. Thank you.

16:32:41 From DeeAnne McCallin To Everyone:

IAC and members of the public are also encouraged to send an email to CDII@chhs.ca.gov after this meeting, especially with continued, thoughtful input on the Participant Directory.

16:35:46 From Felix Su To Everyone:

Wanted to register another initial comment on the Participant Directory--given that that the initial phase of the directory will be unlikely to be operational until well into 2024, this will affect the ability of DSA Participants and their intermediaries to fully comply on (and for some period of time after) 1/31/24.

16:36:58 From David Ford To Everyone:

Round 3 will be the first one with - in theory - actual named QHIOs. It will be a little easier to promote.

16:38:07 From Felix Su To Everyone:

(For the simple reason that without a directory, Participants will have varying degrees of success verifying authenticity of a party requesting HSSI, and their end-point.)

16:45:27 From Rim Cothren, CDII CalHHS To Everyone:

@Felix, thanks for your comments on timing.

16:46:41 From Khoua Vang, CDII To Everyone:

CDII@chhs.ca.gov

16:53:02 From Felix Su To Everyone:

Thanks @Rim for the example. It will be a general concern if standards that are spelled out in AB 133 (such as USCDI v2) are broadly curtailed in an amended P&P.

16:53:50 From Rim Cothren, CDII CalHHS To Everyone:

Thanks, @Felix. We will discuss that in detail I'm sure at the DSA P&P Subcommittee meeting. Thanks for your comment on the topic.

16:56:26 From Catalina Cole To Everyone:

Past IAC Meeting materials can be found on the DxF Website under the 'Past Meeting Materials' tab: <https://www.cdii.ca.gov/committees-and-advisory-groups/data-exchange-framework/>
