4.	Steven Lane	https://www.chhs.ca.gov/wp-content/uploads/2022/11/Data-Exchange-Framework-FAQ-2022-11-14.pdf	Please note that the most recent FAQ is found at https://www.cdii.ca.gov/wp-content/uploads/2023/12/Data-Exchange-Framework-FAQ-2023-12-11-013.pdf .
5.	Steven Lane	Can you add dates to the FAQs as new ones are posted so that readers can recognize when new FAQs are added that they may want/need to review?	CDII incorporated dates into the FAQs some months ago. After having done so, dates appear. FAQs prior to that moment in time are not dated.
6.	Monique Diaz	What is the process if we have concerns about meeting the 1/31/24 timeline? Is there a grace period if efforts are in progress?	live answered
7.	Monique Diaz	Also, are there any financial impact for not meeting this deadline?

8.	Steven Lane	Thanks, Rim. A google search "CA DxF FAQ" took me to the older version of the FAQs. Perhaps that version should be taken down.	We'll look into whether we can ask web crawlers to not index archived FAQs.
9.	Janet Lasick	Where do you find the list of current participants to verify we are on the list?	Look on our website under the DSA section. The current list can be found at https://www.cdii.ca.gov/wp-content/uploads/2023/08/DxF_DSA_SignatoryList.xlsx .
10.	Martha Knutson	Yes, please - date these.	live answered
11.	Martha Knutson	Yes, please - date these.	FAQs are dated. CDII will look into whether we have the history of FAQ dates prior to when we implemented the inclusion of dates in the FAQ
12.	Martha Knutson	And maybe an index? This is already 20 pages ...	thank you for the suggestion, we will look into doing so
13.	Ashlee Cerda	Can you send a link to the toolkit?	For the DxF Implementation Toolkit by Multi-Association Initiative please email Dxfeducation@connectingforbetterhealth.com or DATASHARINGINFO@transformhc.com
14.	Lauren Reagan	can someone please put those emails in the chat for us? (From Lisa)	Dxfeducation@connectingforbetterhealth.com Or DATASHARINGINFO@transformhc.com
15.	Steven Lane	Thanks, DeeAnne. Good to see the most recent FAQs dated. While there is a link to the P&Ps near the top of the web page (https://www.cdii.ca.gov/committees-and-advisory-groups/data-exchange-framework), it would be nice to put a notice banner or something at the top of the page when new FAQs are posted. Also, including that in any DxF email blasts or LinkedIn posts would seem appropriate.	Thanks for the suggestions, Steven. The weekly email should include updates to the FAQs, but the other suggestions are also good.
16.	Olivia Bundschuh	Can you clarify how the Participant Directory will handle primary and	Choices must be entered for all Participants. A parent organization with subordinates can choose to enter the same

		subordinate Participants? It appears that each subordinate will be listed, but will there also general information available for the primaries?	choices for all subordinates, or different choices for some subordinates. If you have more questions on this topic, please see the draft P&P or send your questions to dxf@chhs.ca.gov.
17.	Janet Lasick	When should Round 3 grant applicants expect to receive notification about whether they are funded?	CDII anticipate notifying applicants in late January 2024 or early Feb 2024.
18.	Jaime Carrillo	If my organization has an agreement with a QHIO, is there anything we should do other than signing the Data Sharing Agreement?	live answered
19.	Lindsey Lopez	Rim mentioned that the choice to "receive" information is what needs to be entered in the Information Delivery section of the Participant Directory. Is that correct? Or will be listing our choices for sending the information?	It is not necessary to report to CDII how organizations will send Information Delivery. The Technical Requirements for Exchange P&P call out requirements for those required to send Information Delivery.
20.	Doug "Sullivan,RN,C CM"	When will it be mandatory for Home Health Care Agencies and EHR's to participate?	live answered
21.	Lindsey Lopez	Same question for the ADT line item as well	Similar answer; only for how to receive requests.
22.	Katy Weber	Can you provide how PACE providers are being defined with regards to signing the DSA and how they are being classified with regards to DxF Grant funding? I did not see this in the updated FAQs. I may of missed it. In Power Webinar, it was stated that a PACE provider is considered a voluntary signatory (https://www.cdii.ca.gov/wp-content/uploads/2023/02/CalHHS-DxF-Information-is-Power-Webinar-

		Series_Webinar-6_QA.pdf)? Does that mean they are not required to sign the DSA? Does that mean if they sign the DSA, do they have until January 31, 2026 to start exchanging data? When applying for Round 3 grant funding, are they applying as a health plan, medical group, or as a social service organization? Would they be eligible to apply as more than one if the different parts of the organization have different instances? Would they be eligible for the enhanced funding? Note: if they are classified as a health plan, then technically they would not be eligible for enhanced funding?	
23.	Olivia Bundschuh	Could Rim address my question related to the Participant Directory while we are on this topic?	I've tried to do a simple answer in case we don't have time in the webinar for verbal answers.
24.	Cora Liang	Does participation to eHealth Exchange or Care Quality will be able to meet the CDII requirements?	Please see FAQ 30 for an answer to this question.
25.	Viji Natarajan	Are TA Grants limited to Healthcare facilities ? Could health care intermediary grant since QHIO Grant has closed for 2023.	live answered
26.	Viji Natarajan	if Health Care Intermediary is the DSA signatory and primary applicant then we an apply ..?	
27.	Lipsa Rath	Will CDII publish a final DSA signatory list for 31st 2024 release? Or is it expected to collect it from CDII website on weekly basis?
