Meeting 13 Q&A Log (1:30PM – 4:00PM PT, March 6, 2024)**

The following table shows comments that were entered into the Zoom Q&A by public attendees during the October 31 meeting:

<b>Count</b>	<b>Name</b>	<b>Comment</b>	<b>Response(s)<sup>1</sup></b>
1	Robby Franceschini	Isn't the core issue with USCDI and the DxF that Health and Safety Code specifically references USCDI v2?	We searched HSC 130290 and saw v1 referenced.
2	Lucy Johns	I've asked about this and will raise now for P&P: What are the responsibilities of Participants regarding consumer/patients who do not want their EHRs shared?	We believe the DSA cites opt-out in section 13, b.
3	Aaron Lucas	We have completed the signatory with the portal but our organization has not populated on the DxF_DSA_SignatoryList excel. Any point of contact we can reach out to on this?	The signatory and Participant Directory lists are published weekly, and it may take some time for your organization to show. If you continue to not see yourself listed, please reach out to <a href="mailto:dxs@chhs.ca.gov">dxs@chhs.ca.gov</a> .
4	Lucy Johns	Indv vs. provider(s) doesn't recognize the power issue there. ;-) Indv would benefit from policy here!	Noted. Thank you.

<sup>1</sup> Responses may have been provided by various Data Exchange Framework Data Sharing Agreement Policies and Procedures Subcommittee Members or Center for Data Insights and Innovation staff.
