

**California Health & Human Services Agency
Center for Data Insights and Innovation
Data Exchange Framework Technical Advisory Subcommittee (TASC) Meeting
Q&A Log (1:00 PM – 2:00 PM PT, August 21, 2024)**

The following table shows comments that were entered into the Zoom Q&A by public attendees during the August 21, 2024 meeting:

Count	Name	Comment	Response(s)¹
1	Rob Charles - Elevance Health	This is Rob Charles from Elevance Health/ Anthem	Thanks for joining us.
2	Lucy Johns	Re abortion care: Is “D&C” protected under AB352? Where done for “abortion” or not, if not protected, inference(s) could be made.	Unfortunately, CDII isn't authorized to interpret the law. However, the general question of "what is protected" is a good one for us all to consider.
3	Dan Chavez	Which CA state agency approved the presented data set lists please?	The material presented here was not reviewed or approved by any CA agency. This is simply information provided by the presenters based on their own work.
4	KellyFaas	Will the slide deck be available after meeting?	Yes. Slides will be posted on the DxF webpage.
5	Rita Torkzadeh	Will there be semantic mapping to related concepts such as family planning?	live answered
6	Lucy Johns	What about performance or reversal of genital mutilation (female)? Pretty sensitive, I would think.	live answered
7	Lucy Johns	ACOG has addressed this for a long time. Maybe look into?	Thanks, Lucy.
8	Lucy Johns	ACOG has addressed this for a long time. Maybe look into?	ACOG members and representatives have been involved in this work at multiple points.
9	Dan Chavez	Does AB 352 fall under the DxF rubric?	AB 352 amended HSC 130290 that establishes the DxF. AB 352 may also be included under Applicable Law that may require or restrict exchange under DxF.

¹ Responses may have been provided by various Data Exchange Framework Technical Advisory Subcommittee Members, Guest Presenters, or Center for Data Insights and Innovation staff.

Count	Name	Comment	Response(s)¹
10	Lucy Johns	Would EHRA be the place where EHR vendor designers look for guidance about what needs to be included/ revised in existing EHRs? Or another way to put it: what are incentives for EHR vendors to pick all this up?	
11	Lucy Johns	Would EHRA be the place... (sorry)	live answered
12	Lucy Johns	Thanks Hans! Your answers basic for tactics about getting this done. ;-)
