Center for Data Insights and Innovation  
Data Exchange Framework Implementation Advisory Committee and Data Sharing  
Agreement (DSA) Policies and Procedures (P&P) Subcommittee Meeting  
Public Comment Log (9:00 AM – 11:30 AM PT, May 15, 2025)**

The table below shows public comments that were made verbally during the May 15, 2025, meeting. Additional public comments can be found in the meeting's "Q&A Log" posted on the CalHHS Data Exchange Framework [website](#).

Count	Name	Comment
1	Veronica Santos (Molina)	You mentioned that you audited the QHIOs. Are health plans going to be able to review results of the QHIO audit? Will the results be announced in bi-weekly DxF updates, or where can I find this info?
2	Lisa Nelson (Rhode Island, DirectTrust)	I wanted to ask about ADT information sharing. Is the DxF using direct secure messages to share ADT? We have a version 2 that is available, which is something that your committee might want to take a look at. It might be a good solution for less tech savvy endpoints that need to receive this information because it takes human readable content into consideration.
